# WELCOME TO CASTELLDEFELS - BARCELONA

Castelldefels is located at the heart of Costa del Garraf, between the mountainous landscape of the massif of Garraf and the Mediterranean. More than five kilometres worth of fine beaches are found there, only a few minutes away from Barcelona and its international airport.

This exceptional location makes it an attractive tourist destination for those who wish to observe the sharp contrasts that the region of Baix Llobregat exhibits. Thus, the visitor will be able to play any water sport in the unbeatable facilities of the marina.

The lovely temperatures of the coast of Barcelona will let us enjoy the Mediterranean waters, and the rich artistic heritage. The ancient castle of Fels, which gave this town its name, dominates the coastline of the city. We can also see medieval defence towers, erected in the 16th century, such as the towers of Can Ballester and Barona Tower.

# THE VENUE

The Gran Hotel Rey Don Jaime has all the characteristics to enjoy rest, leisure and business. From a privileged location it offers its clients unbeatable sea views that make a stay an indescribable pleasure.

It is only 20 minutes from Barcelona and 10 minutes from El Prat airport.

In addition to the 20 meeting rooms, the Congress Centre has recently been inaugurated with a capacity for 350 people, natural light and sea views, air conditioning, access for the disabled, equipped with the latest technology in audiovisual and telecommunications media, an open-air terrace with sea views for coffee breaks and cocktails.
